doing it that way. If it's my money. I'm saying it again if a hundred people gave you a dollar. If Senator Anderson if somebody gives him a few dollars, he's going to get the name and address of somebody all over, and if he misses one of them, not through your fault, boy you are in violation of this act. You didn't get his name? What is he give s you a fictitious name or a fictitious address. You find out later that it doesn't exist. Why for crying out, we're getting so. Now if we want to keep tab on candidates, let's put a tap on their phone, and follow them down like you would do at Scotland Yard, and then let's get real silly about the thing. I wish to say in closing again, take a look at Section 8, and see if anybody is going to sell you any campaign adds with that provision in there. Thank you.

PRESIDENT: Senator Kelly, we have a problem in that he was closing, and he has that right under his motion. And to further discuss the bill at this time is not allowed under the rules of the Legislature. Now I wonder why you rise, because I will have to clarify that. Senator Kelly.

SENATOR KELLY: I want to ask, I want to ask Senator Syas if every single objections he's made are not covered in the amendments that I offered to this bill.

PRESIDENT: That's going to prolong the debate, and that's the problem. And that's the reason that he was closing, and I can't allow the question, Sir. Senator Kelly, because that question would have had to been asked before he closed in order to do this under the rules of the Legislature. The issue before the body now is he has closed.

SENATOR KELLY: I understand why he ..why you are not allowing me to ask him. But the amendments do correct every single thing that he has raised.

PRESIDENT: Question is, do you want to indefinitely postpone LB677. If you do, pardon me.

CLERK: I was going to start calling.

PRESIDENT: Roll Call vote, yes.

CLERK: 22 voting aye, 20 voting no. 7 not voting.

PRESIDENT: LB677 is indefinitely postponed. That moves us on then to the General File consideration of 656. Senator Barnett for what purpose do you rise?

SENATOR BARNETT: Point of personal privilege.

PRESIDENT: State your point, Senator.

SENATOR BARNETT: I had passed out at the request of one of the coaches of one of the high schools here. A notice of a fellowship of Christian Athletes here this Friday. And it's going to be a statewide meeting. There will be men from all over the state, and I assume women from all over the state and
